TITLE 28
PROCEDURAL RULE
WEST VIRGINIA CONTRACTOR LICENSING BOARD

SERIES 4
WRITTEN CONTRACTS FOR SERVICES

§28-4-1. General.

1.1. Scope. -- This procedural rule establishes minimum requirements that a licensee must include in a written contract for construction projects with an aggregate value of \$10,000 or more. Pursuant to its responsibilities as set forth in W. Va. Code §30-42-10(c), the Board has adopted a written contract form, attached to this rule as Appendix A, which can be downloaded from the Division of Labor's website and/or the Board's website. A licensee may modify the provisions of the contract form as needed, as long as the modified contract includes the required provisions set forth in section 4 of this rule.

1.2. Authority. -- W. Va. Code §30-42-10(c).

1.3. Filing Date. -- October 7, 2021.

1.4. Effective Date. -- November 5, 2021.

§28-4-2. Definitions.

In addition to the definitions in this section, the definitions in W. Va. Code §30-42-3 are incorporated herein by reference.

2.1. "Act" means the West Virginia Contractor Licensing Act, W. Va. Code §30-42-1 *et seq.*

2.2. "Aggregate value" means the total combined cost of materials and labor for an entire construction project, including the cost of materials and labor furnished by a licensee and subcontractors, and the cost of materials furnished by the owner, if any.

2.3. "Board" means the West Virginia Contractor Licensing Board and its authorized representatives.

2.4. "Construction project" means the entire undertaking as defined in 2.10 of this section.

2.5. "Contracting work" means and includes submitting a bid to perform construction work for another, the furnishing of work, or both materials and work, for another (by a sole contractor, general contractor, prime contractor, or subcontractor) in fulfillment of a contract for the construction, alteration, repair, decoration, or improvement of a new or existing building or structure, or any part thereof, or for the alteration, capital improvement, or development of real property, or performing activity governed by any or all state building codes and the National Fire Protection Association Code and the National Electrical Code or its successor. The terms "contractor" and "contracting" are synonymous.

2.6. "Days" means business days unless otherwise stated.

2.7. "License" means a license to engage in business in this state as a contractor in one of the classifications set out in the Act and 28 CSR 2.

2.8. "Licensee" means the person to whom a license is issued. As used in this rule, "licensee" also means the principal or general contractor.

2.9. "Owner" means the person for whom the licensee performs contracting work.

2.10. "Undertaking" means the entire construction project, including the cost of all labor and materials required to accomplish it.

§28-4-3. Written Contracts Required.

Pursuant to the provisions of W. Va. Code §30-42-10(b), prior to performing contracting work on a construction project with an aggregate value of \$10,000 or more, a licensee shall have a written contract with an owner and with any subcontractor that the licensee hires to work on the project.

§28-4-4. Contract Form; Required Contract Provisions; Required Change Orders; Suggested Contract Provisions.

4.1. While there is no required format for a written contract, the written contract shall include at least the following provisions:

4.1.1. The licensee's name and business address;

4.1.2. The owner's name, address, and construction project address or location if different from the owner's address;

4.1.3. A description of the work to be performed by the licensee, including a description of the materials to be furnished by the licensee;

4.1.4. A description of the work to be performed by any subcontractors the licensee anticipates hiring, including a description of the materials to be furnished by the subcontractors;

4.1.5. A description of materials the owner intends to furnish, if any;

4.1.6. The total cost of the construction project and the terms of payment, including specification of a payment schedule;

4.1.7. The construction project's start and completion dates;

4.1.8. A statement requiring the licensee and owner to sign and date a written authorization for any additions, modifications, or changes to the description of work to be performed, to the contract price, or to any other changes to the terms and conditions of the contract;

4.1.9. A statement requiring the licensee and owner to confirm licensee's disclosure regarding whether licensee has a valid and current general liability insurance policy;

4.1.10. A statement that the licensee will enter into a written contract with any subcontractor that the licensee hires to work on the construction project, and that the written contract between the licensee and subcontractor will include all relevant provisions, terms and conditions, including a statement requiring the licensee, subcontractor, and owner to confirm subcontractor's disclosure regarding whether

subcontractor has a valid and current general liability insurance policy, as the contract between the licensee and owner;

4.1.11. The licensee's contractor license number and classifications;

4.1.12. A statement that all employees on the project, including employees of any subcontractor, are legally authorized to work in the United States;

4.1.13. The licensee's workers' compensation policy number and unemployment insurance account number;

4.1.14. A description of any additional provisions, terms, or conditions of the contract;

4.1.15. Authorized licensee's signature, printed name, title, date, taxpayer ID number, business telephone number and email address; and

4.1.16. Authorized owner signature, printed name, title, date, email address and telephone number.

4.2. The Board recommends that a licensee include at least the following additional provisions in a written contract:

4.2.1. If any permits or licenses are required for the construction project, specification of who is responsible for obtaining and paying for them;

4.2.2. A description of the licensee's warranties, if any;

4.2.3. A statement regarding the licensee's and owner's responsibilities with regard to liens and lien waivers;

4.2.4. A description of the licensee's responsibilities for construction site maintenance, storage of equipment, materials and supplies, normal hours of work, and hours of work for loud construction activities; and

4.2.5. A description of the licensee's responsibilities with regard to any subcontractors that are hired by the licensee.

§28-4-5. Licensee's Failure to Execute a Written Contract.

A licensee who fails to execute a written contract as required by W. Va. Code §30-42-10(b) and this rule may be subject to disciplinary action by the Board as provided for in W. Va. Code §30-42-15.

§28-4-6. Licensee's Obligation to Provide the Board With a Copy of a Written Contract.

6.1. Upon request by the Board, a licensee shall submit copies of its written contracts.

6.2. If a licensee fails to submit copies of the requested contracts within 10 days of the Board's request, the licensee may be subject to disciplinary action by the Board as set forth in W. Va. Code §30-42-15.

§28-4-7. Exemption of Board of Manufactured Housing Construction and Safety Licensees For the Initial Installation of a HUD-Code Manufactured Home.

Licensees of the West Virginia Board of Manufactured Housing Construction and Safety are exempt from compliance with this Board's written contract requirements for the initial installation of a HUD-Code manufactured home.
